

BENEFITING
EQUEST THERAPEUTIC HORSEMANSHIP
FACT SHEET

Equest is pleased to present RIDEFEST 2009. An exciting opportunity for Equest riders and their volunteer team to get out of the therapy arena for the day and enjoy a trail ride along the shores of Lake Ray Hubbard. This event is an annual fundraiser that encourages participation from our riders, volunteers and community partners. RIDEFEST gives us an opportunity to give back to the wonderful therapy horses and the Equest Therapeutic Horsemanship program and share the wonderful stories of success that our riders achieve.

Equest Therapeutic Horsemanship, founded in 1981, is an internationally recognized organization, providing equine-assisted therapy and rehabilitation for children and adults with physical, mental, emotional and learning disabilities. Equest's certified therapeutic riding instructors and extraordinary therapy horses have helped hundreds of children and adults reach far beyond the confines of their disabilities. Equest is able to provide what modern medicine cannot – a horse/human connection that seems to free each one from the bonds of their daily challenges.

For more information visit www.equest.org or call (972) 412-1099.
